Details

Country: Basque Country
City: Hondarribia (Gipuzkoa)
Lenght: 8000 Meters
Width: 4 - 6 Meters
Year: 2011

Overview

The Rallysprint Hondarribia is situated on the west shore of Bidasoa river's mouth in Gipuzkoa, Basque Country.

The border town is situated on the a promontory facing Hendaye (France) over the Gipuzkoa Txingudi bay. The town holds an ancient old quarter with walls and a castle. In addition, Hondarribia features a beach across the Bidasoa from the touristy housing estate Sokoburu in Hendaye, alongside a mountain called Jaizkibel providing a hilly backdrop to the town.

Changelog:

Splash image updated.

Textures updated.

Installation

Just extract the folders into your Richard Burns Rally main installation directory. Follow the instructions located into the Track.txt and TrackSettings.txt files to complete the installation sucessfully.
